DESCRIPTION

HIGH PRINT RESOLUTION AND HIGH THROUGHPUT. The Citizen CL-S703 is an industrial thermal/thermal transfer, high productivity printer. Its steel cabinet makes it rugged and resistant. Very accurate, it is suitable to print with small fonts and high definition logos due to its 300 dpi print resolution. Totally configurable via windows driver, it automatically supports ZPL II (zebra)/DMX (datamax) direct language commands. Can use different media products, such as paper and polyester labels, tags, PBC, even considerably thick, with no limitation. Ideal for use of tags with side notch, It can use ink in/ink out ribbon type, up to 1476' (450 m).
