DESCRIPTION

PERFECT PRINT FOR LABELS UP TO 6 (152 MM) WIDE. If you are looking for an industrial, fast and reliable printer, the Citizen CL-S 6621 thermal transfer printer is the best choice. Most compact in its category for up to 6 (152 mm) label printing (max media width 6.6 , 168 mm). Rugged structure and all metal print assembly. Totally configurable via windows driver and ZPL II (zebra) / DMX (datamax) direct language commands. Among its features, a special ribbon tension system ensures perfect printing. Ideal for GS-128 standard label printing. An external media holder (optional) allows use of large label rolls.
