DESCRIPTION

Plus H1 PC Pos: Design, style and functionality

The **Plus H1 PC POS** is perfect in every store thanks to its **robustness and design**. Its design is unique and combines rounded shapes with a hairline texture that gives it style. The **15" display (1024X768)** has LED backlight and 350 cd / m² brightness. Perfect to combine with **Citizen fiscal printers** and **E2K solutions** (powered by **Storm Open Solutions**, the Plus H1 PC POS is equipped with a **powerful Intel® Celeron Quad-Core processor** (4M Cache Upto 2.90 GHz), a 4GB RAM and a 128GB storage unit. It has numerous input and output ports that allow easy connection to other devices. The spacious stand storage space allows you to hide the wires.
